**STATUS REQUEST**

Sir:

On December 17, 2008, a Response to the Office Action mailed September 17, 2008 was filed for the above-identified US Patent Application. Applicants amended the title from "GAUCHER DISEASE DRUGS AND METHODS OF IDENTIFYING SAME" to "PARTIALLY DEGLYCOSYLATED GLUCOCEREBROSIDASE POLYPEPTIDE AND CRYSTALS THEREOF" in accordance with the Examiner's suggestion

To date, Applicants have yet to receive acknowledgement of this new title. The USPTO PAIR page has yet to be updated as well

Applicants respectfully request a Corrected Filing Receipt to reflect the new title, as well as having PAIR updated..

Respectfully submitted,
